

Village of Gowanda  
Water Rate Public Hearing Minutes  
December 13, 2022

Present: Mayor David Smith, Trustee Paul Zimmermann, Trustee Peter Sisti, Trustee Wanda Koch, Trustee Carol Sheibley

Employees Present: Clerk Danielle Wagner, Treasurer Traci Hopkins

Public: Jack Broyles

The purpose of this public hearing is to discuss and hear public comment regarding the water rate increase proposal.

Water rates have not been adjusted since 2016. A rate increase is being considered due to the 26% increase in operating expenses and 28% decrease in reserves. The Village board is considering a 15% increase in water rates, the new minimum would be \$46.00 and \$6.04 per 1,000 over minimum if passed-the rate currently is \$40 minimum and \$5.25 per 1,000 over.

If approved the rate increase will go into April 1, 2023 with the impact on the July 2023 billing.

**Public Comment**

Jack Broyles-understand why the Village must consider rate increases, he would like the 15% increase to be fair to all water users. Also has concerns over the Point Peter Reservoir Project.
